Applying the Personal Preference Indicators to Postsecondary <u>ADULT LIVING, EMPLOYMENT, AND EDUCATION</u>

Adapted by Lorrie Sylvester, PT, MS and the Zarrow Center for Learning Enrichment, University of Oklahoma from: Moss, Jan. 1997, 2006. The Personal Preference Indicator. Center for Interdisciplinary Learning and Leadership/UCE, College of Medicine, University of Oklahoma Health Sciences Center, Publication No. CA298.jm Revised 2002, 2006vnw, 2010ls

Preference Indicators FAVORITES

What are the person's favorites? Do you know why? How can you tell? Can their "favorites" be molded into a career interest/job, possible post-secondary schooling opportunity, or adult living avenue? Circle all that apply and then give rationale.

0 113	ve rationale.		
❖ Outside	❖ Color		
❖ foods	Movement		
❖ Inside	❖ Games		
Music	Toys		
Friend	Touch, smooth or rough		
❖ Words	❖ Smells		
Structure	❖ Sounds		
Being alone	Activities		
Being sung to	TV show time of day		
Non-structure	Place to go		
❖ Daytime	Animals		
❖ Nighttime	Clothes		
Who are the person's favorite people? Do you know why? How can you tell?	How would this impact his/her employment, adult living, or post-secondary		
	education?		
What are the person's favorite things about him/herself?	How do these favorite things relate to employment, adult living, or postsecondary education?		

"feelings" be considered in a career interest/job, possible post-secondary schooling opportunity, or adult living avenue? Circle all that apply and then give rationale.
